Dear Kevin,

Thank you for "Celebrating 25 Years" with us! This year's Living With Cancer Conference was a spectacular success, and we deeply appreciate your contribution.

During the year, our volunteer committee has worked diligently to achieve the goal of bringing together people with cancer—along with their families, friends and care providers. They share the comfort, hope, strength and resources that are needed to deal with the challenge of cancer. With your help we were able to meet this goal. The feedback we have received so far has been outstanding, and it seems everyone enjoyed the day and was able to take something special away with them.

**Thank you**—we couldn't have done it without you!

Best regards,
