Dear Kevin,

The Ohio Region of Phi Theta Kappa cannot express its gratitude enough for the time you spent with us during our 21st annual Ohio Region Awards Convention held at Stark State College in North Canton, Ohio. Not only did you entertain the membership but you touched the hearts of many with the profound narratives about your life. The message that you conveyed not only exemplified what you have gone through in life but was, in addition, an example of what all of us should find dear to our hearts-- to not sweat the insignificant things but to concentrate on the important issues in our lives. You were a true inspiration to all!

For all that you have done for Phi Theta Kappa in the past; it was the honor and privilege for the Beta Gamma Epsilon Chapter to induct you as an Honorary Member. You have truly epitomized the four Hallmarks of the society and it is a tribute for you to be a full-fledged member.

Also, when the formal convention activities ended and we adjourned to the after dance, it was a great pleasure to have you, Dan and John join us in the festivities. Not everyone can say that they had the opportunity to sing karaoke with a country music star!

Kevin, you were the absolute highlight of the convention and the accolades poured out by our members for you and your accompanists were proof positive.

Best wishes always for you and your staff,
