On behalf of the **Regional Cancer Center**, I would like to thank you for taking time out of your schedule to share your expertise on ***“Physician & Patient: Partners in Hope”*** at Waukesha Memorial Hospital’s Multidisciplinary Oncology Conference on June 13, 2007. Enclosed you will find summaries of the evaluations completed by medical and nursing staff following your presentation, including specific written comments. The majority of respondents rated your presentation highly. You delivered exactly the message we were looking for.

Please also extend our thanks to both Sue and Brad. It was my pleasure to provide transportation and participate in your Wisconsin WalMart adventure.
☺

We can’t thank you enough for bringing your message of hope to our medical staff. We look forward to the opportunity to work with you again in the future.

Sincerely,

Lori Van Meter
