[Kevin Sharp Is Robbery Victim](#)

Kevin Sharp can tell you, don't leave electronics in your car where thieves can see them. Sharp was robbed recently, as he and Cupit Records Marketing Director **Eric Marcuse** were on a tour of radio stations in the Northeast promoting the new single "*You Are the Reason Why*." On their way to

Rochester, New York, they stopped at Niagara Falls to take a quick break and snap some photos. But while they were enjoying the falls, somebody stole their stuff. Sharp and Marcuse returned to the car and found a shattered window. In addition to his laptop, iPod, PSP, Blackberry, and other electronics, the thieves also took Sharp's "*Make A Wish*" CDs, his "*Tragedy's Gift*" books, and pictures that were to benefit Camp Good Days and Special Times. The good news? Nobody was hurt, and his current single "*You Are the Reason Why*" is getting attention from more than thieves.
